What a piece of work is man,
how noble in reason,
how infinite in faculty
in form and moving how express
and admirable.
in action how like an angel.
in apprehension how like a God.
the beauty of the world,
the paragon of animals!
And yet, to me, what is this
quintessence of dust?

With a large squad of talented, but unpolished underclassmen, the Bethel College Threshers put on a competitive display of football under the direction of second year head coach Jim Corns. Only six seniors played on the team that came alive at the end of the year to defeat arch-rival McPherson and conference champion St. Mary's. The squad of nearly sixty was one of the largest in Bethel football history.

Lacking experience and maturity, the offense still showed potential much of the time. Turnovers plagued them almost as much as the opposing defense. The Thresher defense was one of the biggest in the conference, but numerous injuries sometimes hampered their effectiveness. Nevertheless, the Threshers were always competitive and showed great promise for the future. Several players were accorded post-season honors. Bethel placed four men on the All-KCAC roster. Russ Larkin and Wynn Goering were selected as part of the NAIA District 19 first team.

The 1973-74 Basketball Team, coached by Bob Fairbank, managed by Bob Glick, and assisted by Jim Robb as statician, held a 6-17 record at the end of the season. As compared to last year's All-Conference team, they lacked heighth and experience. Only two letterman returned to assist the squad. Ten games were lost within a margin of eight points or fewer. Most of the game's victories were undeterminable until the last few minutes. There were a few encouraging times during the year for the Threshers. They placed third in the Four Corners Classic in Durango, Colorado. And a defeat of 81-78 over St. Mary's, in an overtime, ended the season with a winning note.

Lanoy Loganbill coached the Junior Varsity into a season of 13 wins over five losses. A team, with only four returning players, proved how playing together generates an exciting game. Such enthusiasm produced high scores of 101 over K. Wesleyan, 105 over Tabor, and 109 over McPherson. Although they were defeated in both instances, their best games were against higher-class ranked Emporia under tight refereeing.

second year successful for soccer club

With nearly 30 players, the Bethel College International Soccer Club ended it's second year with a record of four wins, four losses, and three ties. In the two semesters, the team scored a total of 27 goals to the opponents 24. A factor which counted heavily against the team, was the inordinately high number of goals that opponents scored, due to penalties against Bethel. The season was considered successful by many, despite the fact that the majority of players were inexperienced.

1973-74 thresher cheerleading squad

A bonfire pep rally, presents of pop-corn balls, brownies, and gum, a trip to Colorado Springs with the football team, raids at Goering and the Mods to plaster mimicking cartoons on basketball players doors, an all-school Sock Hop, fifties style, and endless banners and signs kept this year's cheerleaders on the go. Pictured, from left to right, are; Marsha Balzer, Paula Jasso-3rd year, Susan Janzen-3rd year, Debbie Baxter, and Yvonne Dooley.

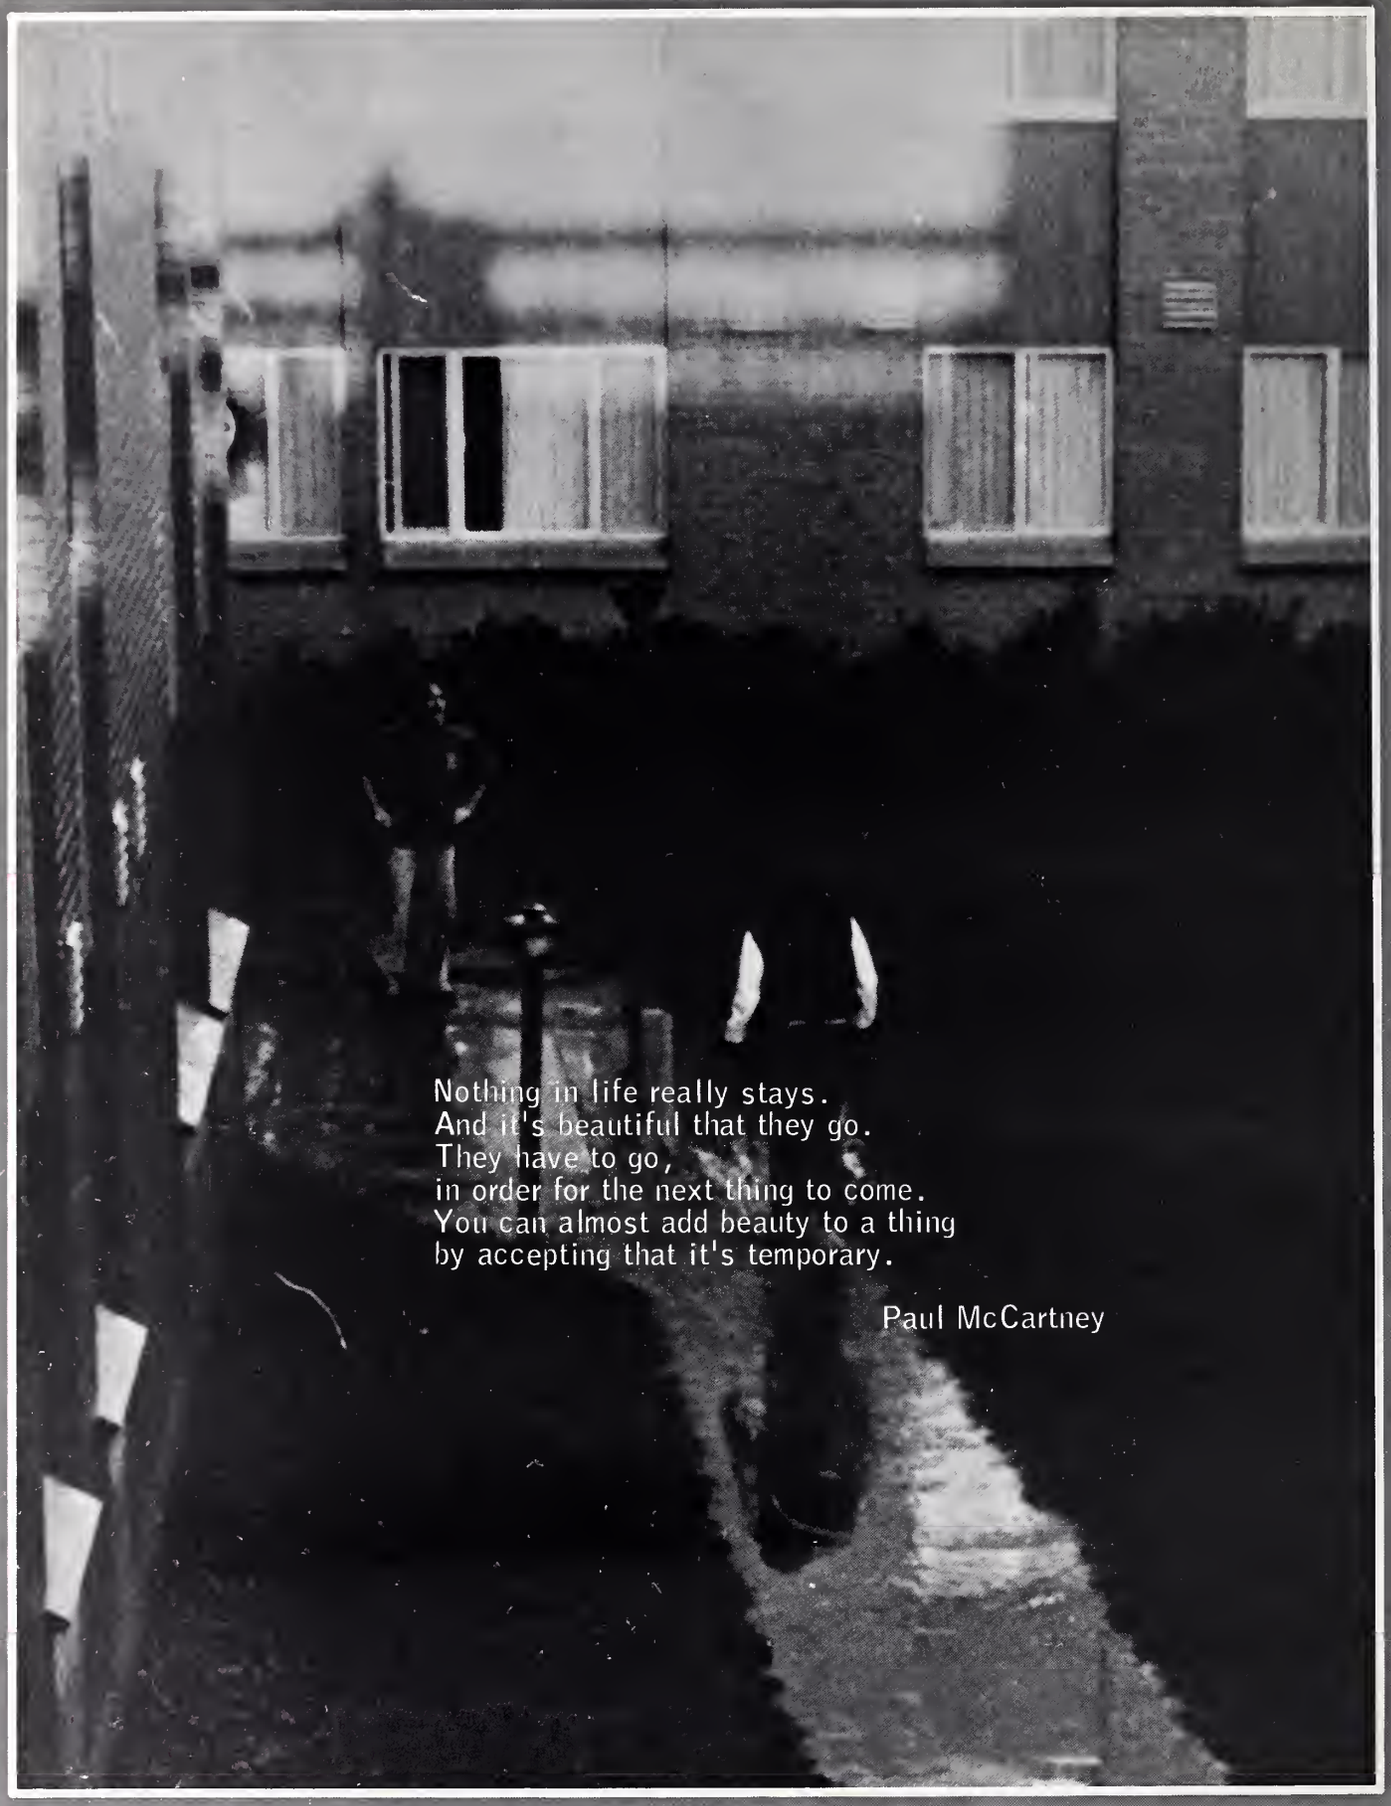
Thresher staff



Nothing in life really stays.
And it's beautiful that they go.
They have to go,
in order for the next thing to come.
You can almost add beauty to a thing
by accepting that it's temporary.
